# Chartered Governance Placements

## For employers

Don't just fill a role. Fortify your governance. Whether you need a company secretary or a governance professional, we connect you with talent that strengthens oversight, sharpens decision-making, and protects your organisation's future.

### Governance professionals include:

- Governance advisors
- Non-executive directors
- Legal counsel
- Risk managers
- Compliance officers

Find the right expertise. Build a stronger boardroom.

## For candidates

Don't just find a job. Step into your next strategic move.

Ready to advance your governance career? We connect you with organisations where you can make a real impact.

The right role isn't just out there. We'll help you secure it.

**We don't just recruit. We place governance where it matters most.**

**We connect organisations with exceptional company secretaries and governance professionals who bring rigour, insight, and accountability.**
